CHANNELS

- Facebook & Instagram Shop
- Kafr El Sheikh Showroom
- WhatsApp business funnel

CUSTOMER SEGMENTS

- Newlyweds setting up new homes
- Middle-aged parents seeking medical spinal support
- Local hotels & medical institutions in Kafr El Sheikh

SWOT ANALYSIS

✓ Strengths

- High-grade American orthopedic technology
- Strategic physically accessible local showroom
- Premium 10-year reliable product warranty

⚠ Weaknesses

- Direct local competitors with lower price-points
- Limited organic brand awareness outside Kafr El Sheikh
- Reliance on third-party supply logistics

📈 Opportunities

- High demand in local regional marriage seasons
- Dynamic localized social media targeting
- Educational campaigns for orthopedic/spine health

🛡 Threats

- Economic inflation affecting buying power
- Aggressive marketing from established national brands
- Rapid change in social media ad algorithms

3D SWOT ANALYSIS SLIDE

Analyze strengths, weaknesses, opportunities, and threats effectively. Identify growth areas, address challenges, and make informed strategic decisions with clear visual insights.

STRENGTHS

Innovative product design that stands out. Strong brand reputation in target markets. Efficient supply chain with low operational costs.

WEAKNESSES

Limited market presence in emerging regions. Dependence on a single distribution channel. High employee turnover in technical roles.

OPPORTUNITIES

Rising demand for eco-friendly products. Expansion potential in international markets. Partnerships with tech-driven service providers.

THREATS

Intense competition from global brands. Economic downturn affecting consumer spending. Rapid technological changes in the industry.

| SMART OBJECTIVES

Brand Visibility

Build regional authority in Kafr El Sheikh and neighboring delta cities. Reach **450,000+ targeted local views** via optimized Meta advertising within the next **90 days**.

Audience Engagement

Achieve an average engagement rate of **4.5%** across all primary social channels. Generate at least **1,200 qualitative inquiries** (via Comments/Direct Messages/WhatsApp) monthly.

In-Store & Online Sales

Increase showroom foot-traffic by **35%** and scale digital orders by **25%**. Run specific localized lead campaigns targeting premium prospective buyers in local areas.

TARGET BUYER PERSONA

"Mostafa & Nour"

NEWLYWEDS / HOME BUILDERS

DEMOGRAPHICS

- **Age:** 24 - 32 years
- **Location:** Kafr El Sheikh, Egypt
- **Income:** Middle to upper class
- **Status:** Engaged, preparing a home

PRIMARY GOALS

- Create a beautiful, premium home setup
- Ensure a long-term reliable purchase
- Find durable furniture with warranty
- Complete shopping within strict schedule

CORE PAIN POINTS

- Overwhelmed by countless cheap brands
- Fear of poor after-sales service
- Lack of delivery reliability in Kafr El Sheikh
- Fear of mattress sagging over time

MEDIA BEHAVIORS

- Highly active on Instagram & Facebook
- Relies on user reviews and recommendations
- Prefers quick, straightforward WhatsApp chat
- Watches mattress unboxing / comfort tests

| UNIQUE SELLING PROPOSITION

"Your Spine Deserves Real American Standards. Rest Without Compromise."

We solve the absolute fear of purchasing poor-quality mattresses in local delta markets. By pairing world-class engineering with localized direct support, Nice Mattresses delivers elite comfort directly to your bedroom door.

PAID ADVERTISING & MEDIA BUYING

1

Awareness Ads (Video / Reel)

Showing the comfort test and structural pocket-spring technology. Targets general Kafr El Sheikh audience.

2

Consideration Ads (Carousel Showcase)

Highlighting pricing, specific sizes, and customer ratings. Retargeting people who viewed initial awareness ads.

3

Conversion Ads (Direct Lead & WhatsApp Forms)

Offering free shipping within Egypt/Kafr El Sheikh or special couples' bundle packages. Driving direct sales.

Budget Allocation

• FB/IG Leads (50%) • Retargeting (30%) • Search (20%)

| CONTROL & PERFORMANCE ANALYSIS

EGP 85

CPL Target

Maintain Cost Per Lead under budget by refining the geofenced audience in Delta cities.

5.2%

Ad CTR

Ensure creative ad copies and unboxing videos keep Click-Through Rate above industry baseline.

3.5%

Conversion Rate

Optimize WhatsApp automation scripts to close sales efficiently from direct inquiries.

850+

Monthly Leads

Target consistent lead volume across active active social campaigns throughout Q2/Q4.

Campaign Monitoring Cadence

Weekly creative performance audits + Monthly ROI audits matched against direct Kafr El Sheikh physical showroom footfall data and digital e-commerce deliveries.

STRATEGIC RECOMMENDATIONS

✓ Leverage "Try Before You Buy"

Run social ads showing real customers relaxing in the Kafr El Sheikh showroom to normalize visiting and trying out different mattress types physically.

✓ Focus on High-Quality Video Assets

Shift budget toward raw, authentic video testimonials and spring testing over static graphics. Customers buy mattresses they can visually trust.

✓ Optimize Post-Purchase Campaigns

Follow up after delivery to request reviews on Facebook & Google. High ratings directly improve local SEO visibility and showroom credibility.
